

Investing for Success

**Under this agreement for 2020
Broadwater State School will receive**

\$32,132*

This funding will be used to

- Improve Literacy and Numeracy benchmarks for students in Prep-Year 3 with an 80% increase in end of year targets
- Ensure every student accessing a different year level curriculum (Individual Learning Plan, Support Plan or Educational Support Plan) will achieve a "C" standard or better against the relevant year level achievement standard
- Improve the teaching and learning of writing for all students to have a minimum of 85% of students at or above Regional benchmarks and at or above NMS in NAPLAN for Years 3 & 5.
- Engage in extension activities with U2B students in Years 3-6 by utilising programs from the IMPACT centre

Our initiatives include

- Targeted and focussed teaching, learning and support in the Early Years to improve student outcomes
- Continue the Awesome Authors program, to engage in and improved focussed genre and creative writing across curriculum areas
- Engage in professional development to support pedagogy, teaching and learning using 4 Dimensions Classroom Profiling to reflect on teaching practices
- Provide intensive support for students who are below or above regional benchmarks and NMS in Literacy and Numeracy

Our school will improve student outcomes by

- Employing additional teacher aides to assist with the delivery of literacy programs, including intensive support for identified students not meeting minimal standards in 2019 (I4S - \$30000)
- Funding teaching staff to attend professional development for curriculum (I4S - \$2132)
- Purchasing additional resources for reading and writing (L&N - \$2500)
